

Catering and Alcohol

Events without alcohol:

Events without alcohol may be catered by any licensed caterer or self-catered by the permit holder.

Catered Events with alcohol:

Events with alcohol must have catering for both food and alcohol. Serving alcohol does require the Permit Holder to hire a licensed caterer for alcohol. State licensed caterers can be found [CLICK HERE](#)

*Only those caterers with a current CATR type permit are eligible to serve alcohol at the CO-OP Union Auditorium. Food can be from any licensed caterer.

**Events with alcohol with over 75 guests also require hiring a peace officer through the city of South St. Paul Police Department to be onsite the entire time alcohol is consumed.

Liability Insurance requirement:

Liability insurance coverage is required for all events through [HAAS Insurance](#).
